1ST ANNUAL  
WINTER SHOWCASE

Sunday December 20th | 2pm

Thank you to each and every one of you for stepping up and helping out to make our First Annual Winter Showcase a success. I could not have done it without you all. I am grateful for all of the Energize families and your support towards me and the studio. Your children are a joy to teach each week in class. We truly are a family here at Energize and I cannot wait for the rest of the season!

Love,  
Miss Erin
